Friends Camp Rising Leaders Application

Although we recognize that parents or guardians will help out with the application process, this portion of the Rising Leaders application is to be completed by the applicant. You may fill out this application by hand, or you may use a PDF editor such as Preview or Adobe to type into this document. When you are finished, upload your completed application through your CampBrain portal. Or, you can email it to director@friendscamp.org. Make sure to read the information on the Friends Camp website about the program as well as other application requirements.

How did your session(s) as a camper at Friends Camp impact you?

Describe any experience you have working or volunteering with children. Include babysitting or other forms of childcare, and make sure to note the ages of the children you worked with.

What was your biggest challenge you found when working with children. If you haven't done significant work with kids younger than you yet, what makes you nervous?

Describe any other work or volunteer experience you have. Include number of hours spend and the dates when you were involved. It is okay to leave some of these lines blank.
